

Connected compliance

Electronic Logging Device (ELD) solutions for fleets

A solution that fits your fleet

Whether you're a small or a large fleet of company drivers, AT&T Fleet Complete has flexible solutions to suit your business needs. Get your fleet working together to achieve electronic logging device (ELD) mandate compliance under one flexible, affordable, and easy-to-use solution.

Driver logs done right

AT&T Fleet Complete HoS is an electronic logging app for Android and iOS devices powered by Big Road that simplifies driver logs. With it you can complete clean and accurate logs that are inspection ready. If you make a mistake, editing is even easier than on paper.

Optimize operations

- HOS visibility and fleet tracking
- Simplify tasks and reporting
- Centralized log storage

Reduce costs

- Eliminate costly violations
- Low monthly subscription
- Reduce administrative time

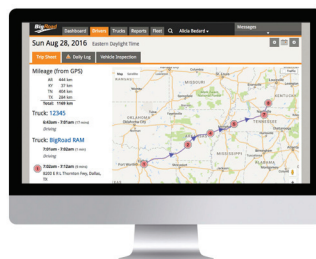

Support drivers

- Risk notifications
- Editable daily logs
- Protect safety score

HoS mobile app

- Real-time risk notifications
- Two-way messenger
- Easily created DVIRs

Desktop platform

- Real-time visibility
- Instant access to driver logs
- IFTA and driver hours reporting

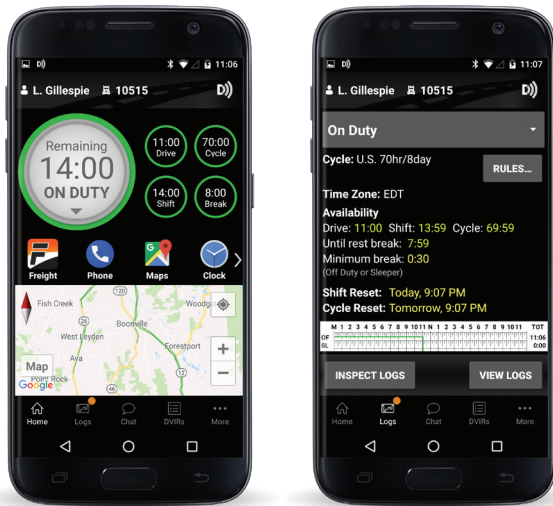

In-vehicle ELD

- Plug-and-play solution
- Accurate engine readings
- Simplifies logging process

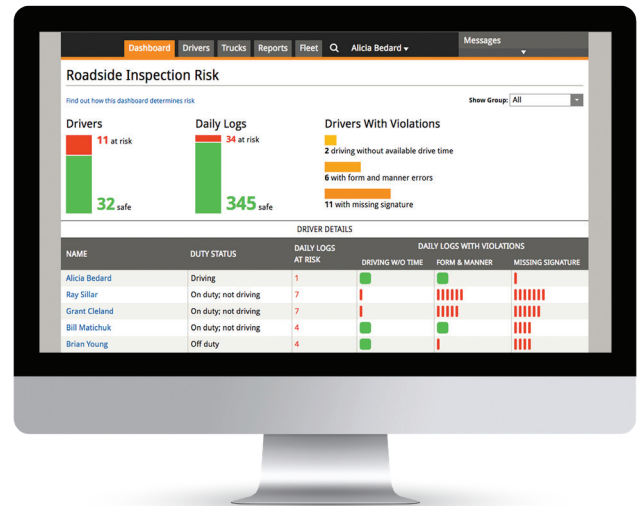

Features for Drivers

- US and Canadian rule sets supported
- Special review mode for roadside inspectors
- Share logs with dispatch via email, or automatically using the AT&T Fleet Complete system
- Clear availability times help you plan ahead
- Take advantage of exceptions like US split sleeper rule

Hours of Service rules can be really complicated. AT&T Fleet Complete makes it easy by doing all of the calculations for you.

Features for Fleets

- Fleet management and roadside inspection risk dashboard
- Real-time HOS availability, vehicle location and traffic
